

About **HOLLY FYE**

I'm a native Richmonder and graduate of Virginia Commonwealth University. I hold a Master of Business Administration degree and have consistently been ranked as a top producer with Napier ERA. My background is in education, personnel management, and real estate—an ideal combination that has provided me with the honor of working with individuals to find the perfect home to purchase, or to sell a current home, as a new chapter in life begins to unfold. In addition to managing my own real estate business, I serve as the Relocation Director for Napier ERA.

I'm married to an amazing fire division lieutenant and paramedic. We have one son and two sweet Labrador Retrievers named Biscuit and Marigold. I love all things beach – gorgeous sunrises, sand under my feet, and sitting on the balcony watching the waves crash upon the shoreline.

WHY WORK WITH ME?

- I'm dedicated to providing that **5-STAR** experience based on **Service, Trust, Authenticity, and Results**.
- Having grown up in the Richmond Metro Area, I have the advantage of witnessing first hand historical trends and market developments.
- Since I work with both buyers and sellers, this gives me an incredible perspective to be able to share with you what is happening in the market from both viewpoints. It also allows me the ability to potentially match a buyer with your property.
- I use my master negotiating skills to get the best deals for my clients

I hope you have learned a bit about me and what fuels me to continue to represent my clients in the best possible manner. I am dedicated to educating my clients throughout the entire selling process. I would love the opportunity to get to know you and your real estate needs. If you have any questions about the real estate market or your neighborhood, I would love the opportunity to be a great resource to you!
